An East India man ashore the ship Abby Pratt, Beane from Calcutta, August 13th for Boston went on the South Shoal the 16th the crew left her in three boats & landed at the wharf when they left she had 4 feet water in her hold

The above has not been heard from since one inch of snow the past night

A snow storm commenced abt 12 P.M. Some rain this morn with a gale of wind at noon the highest tide that ever was known, all over the wharf it was up to the sides of the lowest store on the Right hand side going down Commercial wharf, 5 inches deep on the highest part of Fields Foundry floor & 15 inches ^{deep} on the brick floor of A. & has blown a hurricane all the fore part of middle of the day doing much damage to the wharfs Rail ways at Grant Point, floating of a number of small buildings from their foundations South of the wharfs

Very hard snow storm more snow fell than we
have had since 1827 at one time

Brig John Reed ran ashore at low Beach at 4 o'clock.
loaded with molasses, she was cleared from
the beach & was towed to the wharf.

4th April 1855

14th much rain through the day

15 a very heavy snow through the past night

19 a little snow the past night

21 Rain this morn. snow this forenoon

23 Snow most all day considerably melted blow heavy

24 a very heavy gale & snow the past night

25 good sleighing

from board ship 11th 25th at noon the ship Bowditch from New Orleans for Boston with the
 port & running down the south side touched on Mincomet Rip remained a few hours hauled
 of the ice of the Strait as far as can be seen. 26th this morn. Steamer (probably) R. T. Stork at
 breast of Round Shoal with a dismasted vessel in tow has been two or three days
 getting from the end of Buckman Shoal. The cross rip Light boat is nearly to the point
 aboy at anchor in ice abt 10 miles East of Strait. a propeller Steamer South of St.
 the ship Bowditch still at anchor the ice as far as can be seen
 31st ice mostly moving off without the Bar the ship Bowditch gone today

- 1st the ice has moved of & gone as far as the coast flat by the strong S.E. wind of yesterday & last night & a few folks are cutting a channel in to the point ice 18 in thick. 3 The ice returned & is as far to the north as we can see. at 6 P.M. a vessel nearly round to Discount with passengers probably landed 24 mails & passengers.
- 5th Steamer Juana Home succeeded in getting out through the ice at noon after days blooming & cutting.
9. much Rain the past night the large snow drifts much reduced the ice mostly gone out of the Harbour.
- 16 news of the L. Coffin Rose at New Port on the 14th headwinds ice & snow frozen.

18th the ship Constitution (new)

Sailed from Edgartown this morn & anchored below the flats a few hours, got under way and beat up sound ~~and~~ to sea discharged pilot west of Robinsons hole north side of Ninyard Sound at abt 5 o'clock P.M. and proceeded to sea some miles SW of Nomans land before dark with a beautiful northerly wind when we last saw her from the Pilot-boat

Pilot, Herman Edgerdy & C. C. Coffin

20th during the past night the wind has ^{been} blowing a very strong breeze (6) with rain more moderate this morn

64C

on the morning of the 12 between 3 & 4th fire was discovered in the old chamber
on S. L. Clark house (under the Bank) which nearly consumed it & burned the
next house. Some on the north end near the top the fire was well
put out by good management & great exertion

The Boys' Engine. deserve great credit for being first & checking the fire on the second house & (perhaps) saving a large portion of the Town

On the morn^g at 12. AM of the 29th fire was discovered on board Ship Plaster
in the Room & Cabin & finally burned to the ground after being hoisted over on building

Lost overboard from ship Mary (of this port) Mr Wm son of Abel Cothran of this
 { 3 Officer aged 25 years }

did Linda daughter of Joseph S. & Malinda S. Barney aged 8²

did in Gloucester Mr David Hull formerly of this town (son of Tho) aged 57 yrs
 { did in Liverpool 12th suddenly James H. Harker colored 37.4 }

did George Beunker (son of Valentine) found dead on desert road aged 51

in in New Bedford Capt. Phileas Carr formerly of this town aged 56 yrs

did Mrs Phoebe widow of Thomas King aged 82 yrs

did suddenly Grace Noyes aged 74 yrs

picked up from tree next to Quaker

did in Lynn Mr Peter Barnett

This day the news of the death of Arthur M^r Coffin came (see below)
 Landed from ship Alpha Geo W^m oldest son of Mamee & Susan Wood age 21⁷/₃₂

did Susan Abby dau^r of Benj^r H & Mary P Swain age 21⁷/₄ⁱⁿ

did Nancy Wife of Benj^r T Wood age 42⁷/₄ (of Consumption)

did Mary wife of Wm Clisby 2 age 44⁷/₄ & Mrs Deborah Coleman widow
 Robert age 82 on 22 Mrs Sarah wife of Abraham Pear age 66⁷/₄ⁱⁿ
 & Mary Edith infant dau^r of Jacob S & Mary J Hinkley 3ⁱⁿ

did

did

did Mrs Martha W wife of Wm E Thornton & dau^r of Edw P Hodge

did Miss Sarah Folger dau^r of Thadous age 50⁷/₄ years and

Charles F Dorek son of George & Adeline Andrews age 4 weeks

did on a plantation of Capt^r Muddock (who politely invited him to go for
 the benefit of his health) about 100 miles from Cardenas ^{Cuba} the author
 of beginning of this Record) Arthur M^r Arthur Coffin
 see may 27th 1860
